Newsletter of the BEANTOWN SOFTBALL LEAGUE

Tourney update

As the Minuteman Classic (July 4-8th) draws nearer, the tournament committees are beginning to roll. Two successful fund raisers, one at the Boston Ramrod and then the Monte Carlo Night at Campus, helped considerably to get us closer to our fundraising target of \$12,000. Another Monte Carlo Night is planned for sometime in June. The Finance Committee is expecting an even better turnout the second time around.

The Housing Committee has made up applications for anyone who can house a player from a visiting team. If you have the accommodations, please fill out the application attached to this issue of ON DECK. Either mail it to the address on the application or give it to a league official.

The Banquet/Special Events Committee is busy planning the awards ceremony which is to be held at Cyclorama, Saturday, July 7th and various activities for after-play.

The Fields/Scheduling Committee is awaiting final word on whether the games could be played at Daisy Field

(the tournament is at present scheduled for the fields at Cleveland Circle).

The Concessions Committee will swing into action soon when official Minuteman Classic T-shirts, buttons and patches are prepared and made available to the public.

The Advertising/P.R. Committee is putting together a packet to introduce each of the visiting tournament participants to Boston. If you have any ideas (pamphlets, matchbooks, etc.) for the packet, please contact Jeff Pike at 491-6765.

If you are interested in contributing time to any of the tournament committees, please contact:

Fields/Scheduling	George Martin	266-2412
Finance/Fundraising	John Bowes	353-1308
Housing/Transportation	Alan Musson	277-5455
