Re: My Candidacy Status for Assistant Commissioner

September 8, 2006

Hello,

I am writing to you in light of recent events. As some of you may be aware that Billy Svetz and Kevin St. Gelais have submitted their names for the Assistant Commissioner position which is actually for the Commissioner during our 2007 season.

That being said I feel that it is in the best interest of the league to have someone with the knowledge and experience as our Commissioner. While I have experience being an assistant coach, team representative and your Assistant Commissioner for the past year I do not feel it's enough to guide us through our 2007 season.

Because of this I will not be running for the position of Assistant Commissioner during our general election and instead put my support behind Billy Svetz and then run for Assistant Commissioner come the October Executive Board Meeting, which is what I would truly like to continue with.

I think Billy will be able to offer our league what we need most right now, stability and experience. We are about to have a very high turnover of officers and it will be imperative for us to have a Commissioner with the knowledge to help our league continue.

Thank you all for your support and I look forward to seeing you at the banquet and Executive Board Meeting in October.
