Beantown Softball League

Variety Show & Fundraising Gala

Sunday, July 13, 2008

Cambridge Family YMCA

Doors Open 6:30pm; Curtain 7pm

Welcome to our event!

Our Host!

Sean Doherty, KISS 108's party host and player on the Paradise Pirates team, has graciously agreed to emcee our event tonight. Thanks, Sean!

Our Performers!

We're fortunate to have many talented acts performing tonight for your enjoyment. In addition to several performers from the Beantown Softball League, we have several acts from our friends in the Monday Night Bowling League.

Our Beneficiaries!

Given that many of the initial acts to sign-up for tonight's performance were from the Monday Night Bowling League, the BSL's fundraising committee thought it fitting for our event to support the same community organizations that MNBL's event earlier this year supported - namely - the **Boston Living Center** and **Community Servings**. For every net dollar raised tonight, fully fifty percent will be given to our charities of choice. Please generously purchase raffle tickets, bid on our excellent silent auction items, and support our concessions stand.

The **Boston Living Center** is a non-profit community and resource center whose mission is to foster the wellness of all HIV positive people and respond to the changing needs of the HIV/AIDS community. Volunteers are always welcome to help serve meals to the BLC's members, assist with general office tasks or teach basic computer skills. You can learn more by visiting their website at:

COMMUNITY SERVINGS

DELIVERING MEALS. DELIVERING HOPE

Community Servings prepares and delivers 7,250 lunches & dinners each week to individuals and families homebound with an acute life-threatening illness like AIDS or Cancer. Ninety-five percent of their clients live at or below the poverty level. You can get involved by volunteering in their kitchen, making weekday meal deliveries with a staff driver, or delivering meals in your own vehicle on a Saturday. Information about opportunities to support Community Servings are available at:

Our Producer

Tonight would not have been possible without the efforts of **Sandro Frattura** who directed tonight's performance, visited the theatre to secure a space for the show, reached out to solicit performers, helped obtain silent auction items and sold tickets to the performance. On behalf of the BSL, the Boston Living Center and Community Servings, thank you Sandro!

Treasurer's Nuggets

I am tremendously proud that the Beantown Softball League has committed to financially support local GLBT and HIV/AIDS organizations. Through monies raised tonight, we're demonstrating our commitment to the larger community beyond Smith, Clemente and the Boston Common Fields. Thank you for your support and enjoy the show!

Brian Ramos, Treasurer
