## Thank you for your Support!

### Boston Living Center

The Boston Living Center is a non-profit community and resource center whose mission is to foster the wellness of all HIV+ people and respond to the changing needs of the HIV/AIDS community. Through peer leadership and support, we strive to enhance and enrich the lives of our members by providing education, treatment information, and support services with the goal of empowering members to live productive lives and participate within their families and communities.

### Beantown Softball League

Founded in 1978, the Beantown Softball League is the largest athletic organization open to gay, lesbian, bisexual, transgender, and heterosexual people in New England. The League fosters sportsmanship, friendly competition and service opportunities to the greater community. The BSL boasts twenty-four teams in four divisions of play: competitive, intermediate, and two recreational divisions. Players of all ability levels find a fun and competitive home within the Beantown Softball League.

### Our Thanks . . .

Tonight's event would not have been possible without the support of many members of both organizations who volunteered their time, donated silent auction items or who helped sell event tickets. The BLC and BSL thank:

- Frank Ribaud, Jim Morgrage and the staff of Club Café for donating the space, food, and beverages.
- Our amazing silent auction donors (see insert for complete list).
- Our table sponsors: Blue Man Group, Campus Tan, Fritz, Melman Chiropractic Group, Metro Stage Company, and Motley.
- Sue O'Connell and Keith Orr from WFNX One in Ten radio program.
- Patrick Lentz, photographer, for helping us memorialize tonight's event.
- Boston Living Center Staff: Lisa Brown, Christian Halmi, Justin Lopes, Anu Parikh, Morrigan Phillips, Julia Renalds and Bob Silvera.
